WELCOME TO THE ST. LOUIS OPEN!

We are excited to host you and hope you enjoy competing against our courses and each other.

Special thanks to all of our sponsors and volunteers.
It is only with their support that we can host an event of this scale.
So please take a moment to thank a volunteer and support our sponsors.

We know there are a lot of opportunities for competition in the Midwest, and we appreciate you attending our event. We strive to offer a great player experience in both fun and competition. That said, we know there are always opportunities for improvement. Please feel free to share suggestions you think will improve future efforts with our team, at the conclusion of the event.
